

“Changing the Landscape of Officiating”

PSAL Referee/Officials Corner

To begin the process of becoming eligible to work PSAL games, each official should go to www.psal.org and go to the **Resources & Procedures** dropdown, then click Referee/Officials Corner. This link is below.

There are many helpful questions for new and current officials. Do your best to find your answers from these questions. **DO NOT contact any assignor at this point.** We will have a thorough discussion about this process in class.

Suggestion: This is a 3-4 month processing and clearance process. If your goal is to work PSAL contests for the upcoming girls basketball season, it is suggested that you begin the process as soon as possible.
